Subject
Cancellation of CE-210

Dear Mr. Daneo Chen Yu Hui,

On 27 August 2026 we received an email in which you informed us that the TTIZH Factory in China has closed the complete tape measure productions as of early July and that all tape measures production has been transferred to the Techtronic Industries Vietnam factory.

In response to the abovementioned, the Certification Board decided to cancel the module D certification with number CE-210 of Techtronic Industries (Zhuhai) Co., Ltd, China.
According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for Techtronic Industries (Zhuhai) Co., Ltd. to place instruments on the market with reference 0122 to the CE marking after **19 October 2026**.

In case you wish to proceed with an audit in 2026 or 2027, the audit process will start again with an initial audit. Please be aware that the cancellation cannot be undone and that you then will receive new certificate numbers.

Also be aware that you are not allowed to use our NMI marks for advertising and/or promotional purposes after the abovementioned date and to have a reference carrying out inspections under NMI recognition.

If you have any questions, please do not hesitate to contact us.

With kind regards,

Head Certification Board
